

Merthyr Tydfil Angling Association

Demonstration and Information Morning by the Welsh International Lakes Bank Fly Fishing Team

On Saturday the 22nd September 2018 the above team will be holding a demonstration morning on the way they set up and the choice of tackle when fishing at such a high level.

Come along to the Model Merthyr Engineering Railway Site
CF47 8RE in:

**Cyfarthfa Park Merthyr Tydfil on September
22nd 2018 At 10 am until 2pm and meet the
Team. They will Answer Questions and take you
Through the following and other Topics.**

Tackle choice, and why/where they use different rods / lines etc.

Pond craft – Where we would expect to find fish, in which types of water given various / weather / conditions, and time of year etc.

How we would approach the fishing. What methods we would adopt for different types of water conditions, and why.

Fly selection. fly tying – We can also describe the methods we use, when fishing the lakes .

Of course we would also be happy to answer any questions anyone may have on any aspects of fly fishing.
