Run Walk Crawl
C/O Aspire Fitness
Sanatorium Rd
Canton
Cardiff

Dear Sir/Madame

Our annual ultra-running and walking challenge takes place again on 10th February 2019. The route uses some of the Monmouthshire and Brecon Canal towpath. The Canal & Rivers Trust have asked us to let you know that the event will be taking place.

Participants will be following the Canal towpath between Brecon and Talybont-on-usk between 0730 and 0900 am. Participants will be clearly briefed that they should keep to the left, in single file and give way always to members of the Public. A lead marshal will be ahead of the first participants to ensure people know they are coming. A sweeper team will follow the route collecting any litter and signage, although we don't anticipate having much due to the nature of the event.

We hope this will not inconvenience you in any way and we are keen to deliver this event providing a positive impact on the local communities. However, please get in touch with us if you have any concerns or any questions.

Yours Faithfully

Ben Morris, Joe Timmins
